

## Washington DECA First Annual Scholarship Golf Tournament

Say YES to Washington DECA

All Donations Support Scholarships for Low Income Students

### About the Washington DECA Youth Equity Scholarship Fund (YES)

*“Washington DECA provided me with the knowledge, leadership, and confidence necessary to succeed. Being a member was the most fulfilling part of my high school experience, I am excited for the rewarding impact it will have on others.”*  
*Alfonso Godinez, Lakes HS*

Washington DECA is committed to providing equitable access to programs and teacher support for all students living in Washington State. We strongly believe that cost of membership and registration should not be a barrier to any student hoping to improve their academic performance, achieve college entrance and completion, and develop self-confidence in pursuing career opportunities. We have a collective responsibility to offer more authentic experiential learning to prepare members for college and career; engage students in collaborative project-based learning activities; connect with Washington businesses to give students a realistic insight into a variety of industries; and promote a sense of urgency and confidence in students to improve their relationships and performance. This is the opportunity that we aim to provide for students, teachers, and community partners through the Washington DECA Scholarship Fund, and strongly believe your support will allow Washington DECA to create this positive impact.
